Chapter 1

managers in workplace.

whey are managers Important? (3 reasons)

- 1. Managinial Skills and abilities.
- 2. Critical in getting things done.
- 3. The quility of relationship between managers and employees.

increase dias real (1) 1 loyality

a + prodectivity

Managers: Someone who Cordinate and oversess the other

people work to achieve Org. goals.

(give order) what to do and how to do it.

* single person also can do other duties

* Department group

* other (extent)

Non managers: (no one reporting to them)
Involve managinal task
