1 I like studying. I'm happy doing theoretical, academic work.
Then you probably shouldn't consider a vocational course. You should go to university. ✓

2 I've done well in Maths and Physics, and I enjoy them a lot.
Maybe you should consider studying Science, or possibly Engineering. ✓

3 My parents want me to study Medicine, but I'm really not interested in that.
Have you talked to them and explained the way you feel about it? ✓

4 I'm interested in buildings – in the way buildings are made.
Maybe you should consider Architectural Engineering. ✓

5 I'm very interested in Science, too.
Have you thought about visiting some companies? You could learn a lot that way. ✓

6 I don't know any companies I'd like to visit.
Why don't we go online and find out more about companies in the area? ✓

Listen to the conversation between the student and the career's adviser. Complete the student's part of the conversation.

1 ▶ Yes and no ✓. Maths and Physics are great, but English is really challenging.

2 ▶ Well, not really ✓. I mean – English is hard work for me, and I don't enjoy it very much, but I'm getting good marks.

3 ▶ Well ... I'm not sure what sort of course I should go on, so it depends ✓.

4 ▶ Not entirely ✓. I like the idea, but I wonder if there are other good options I don't know about.
