

The Palestine Tower

The Palestine Tower, located on Al-Irsal Street in Ramallah, is the tallest building in Palestine, standing at 100 meters tall.

Completed in 2011, the tower consists of 24 floors and features 6 elevators. It includes facilities such as a shopping area, offices, and the renowned Palestine Plaza Hotel. The total construction cost was approximately \$40 million.

Visitors are drawn to the tower for its panoramic views of the city, its rotating restaurant on the top floor, and its modern cinema. It is a must-visit destination for its architectural beauty and diverse services
